Technology
Dún Laoghaire

The Minister for Further and Higher Education, Research, Innovation and Science has introduced a Covid-19 Once Off Emergency Allowance of €250 for SUSI and higher education students.

You are eligible for the Covid-19 Once Off Emergency Grant of €250, if you meet ALL of the following criteria:

- You are a full-time student
- You are an Irish/EU undergraduate or postgraduate student
- You were registered with IADT as of 1 November 2020

There is NO requirement for eligible students to apply for this grant - it will be automatically processed for you over the coming weeks.

Please keep an eye on your IADT student email - the Fees Team will be in touch with you.

There are three categories of students who will receive this grant, as follows:

- 1 **Students in receipt of a SUSI award for 2020/21** – you will receive the €250 directly from SUSI. These students will receive their €250 from SUSI. For further information, please refer to the SUSI website www.SUSI.ie

If you have applied to SUSI and have not yet received a decision on your 2020/21 application, €250 from SUSI or a €250 credit on your IADT student account will be applied, once a decision has been made.

- 2 **Students who currently owe fees for 2020/21** – your outstanding balance will be reduced by €250.
- 3 **Students who have fully paid fees for 2020/21** – you will receive a €250 refund to the card or bank account that paid your fees.

Please bear with us as we process the payments for all eligible students. This will take some weeks to ensure that the grant is applied to all correctly. We hope to have all grants processed by 28 February 2021.
