

Car Parking Information on IADT Campus 2021/22

Parking on campus is on a Pay-and-Display basis.

However, Registered Students may park for **free** in designated car parks while displaying a valid IADT parking permit. You can apply for 2021/22 permits online at [APCOA](#) and select IADT. You will be required to set up an account free of charge with APCOA and then apply for a Student Permit.

Please follow the instructions given in the confirmation e-mail from APCOA. While you will be registered to park at IADT once you receive the confirmation e-mail from APCOA you should Print the email notification and display it in your front windscreen while waiting for your permit.

Collection of Permits

Due to COVID-19, it will not be possible for APCOA to provide a collection point for permits, they will all be posted to the address given on the account.

Parking Regulations

Students should familiarise themselves with the details of the Car Parks and where they can park while displaying an IADT permit. Please pay attention to all notices and signs displayed. Parking Regulations are available at [IADT Parking](#) and are displayed on notice boards in the Atrium and Carriglea Buildings.

Please remember that there are fewer spaces available than there are car users. If no spaces are available, please do not park in the Church grounds, Blackrock Education Centre or METNS. If you park in any of the local housing estates, please do not block emergency access or our neighbours' driveways.

Car parking is managed by APCOA Ireland (APCOA)

All queries regarding clamping etc. should be directed to them at 0818 555 000. IADT will not intervene with APCOA with respect to clamped cars.

Please note that details that you submit to either IADT and/or APCOA in respect of your vehicle are shared between IADT and APCOA in strict compliance with the Data Protections Acts and GDPR Regulations. See [GDPR](#) for more information.
